

MyID Registration

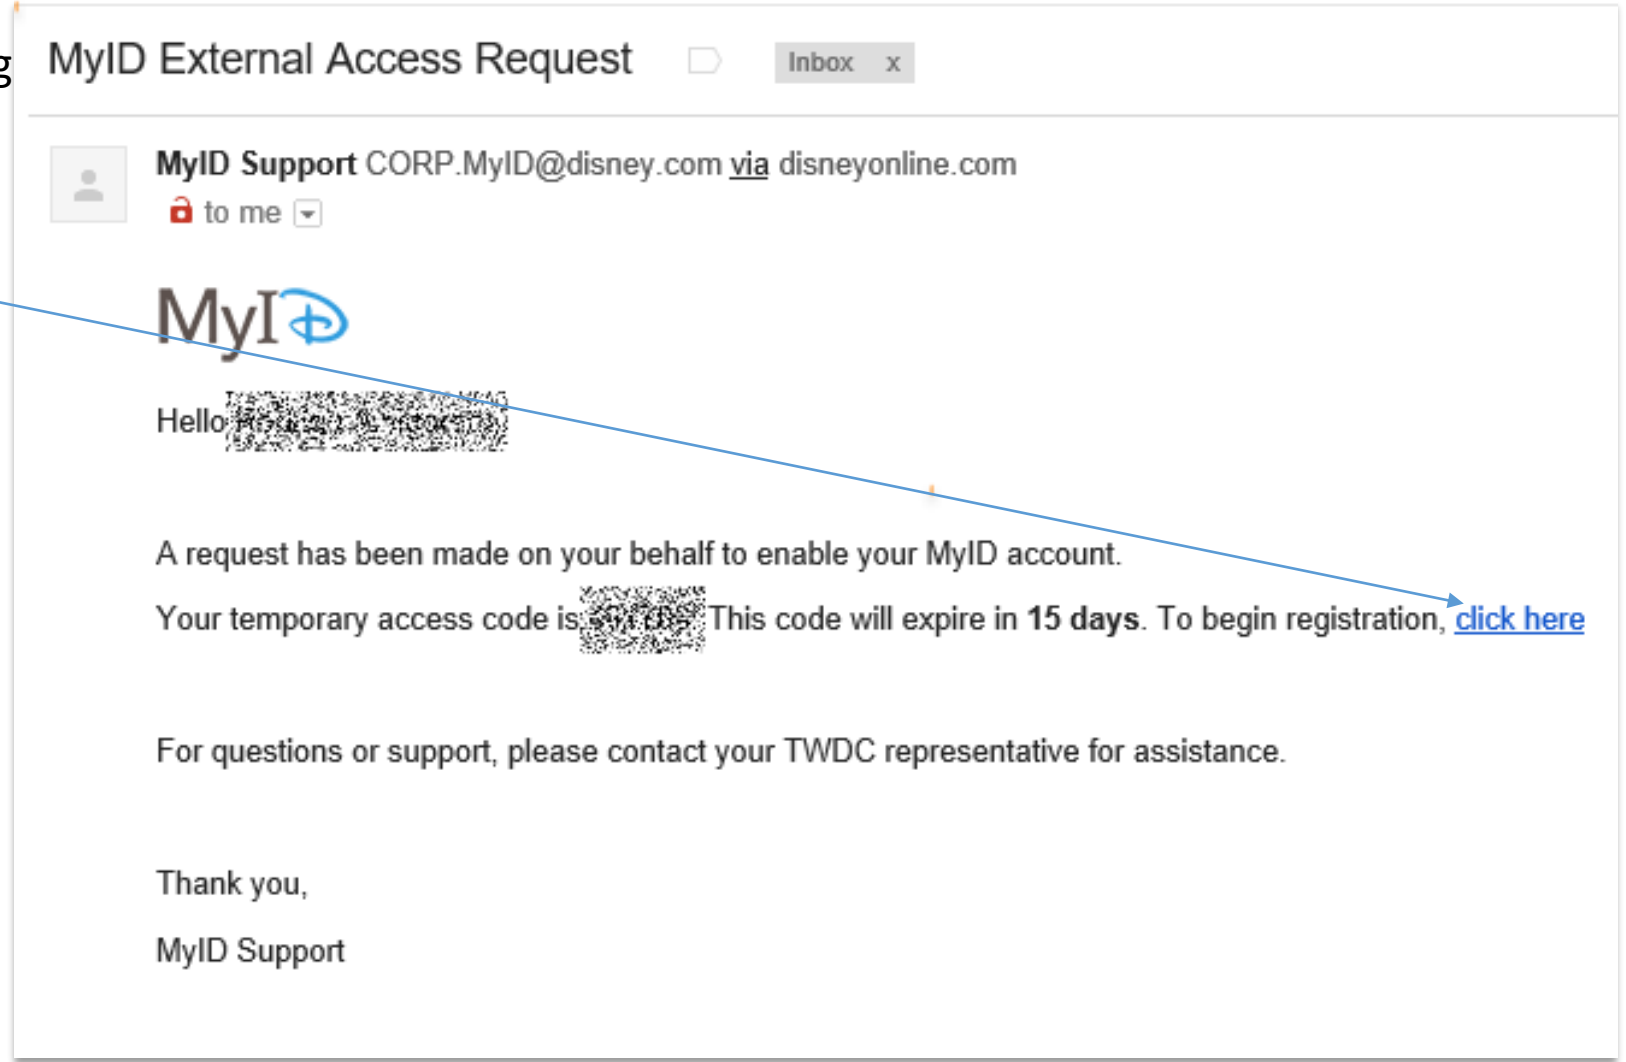

Registration instructions for External
Users

What is MyId?

MyID is your main log-in credential used to access applications and services across the TWDC organization that has been assigned to you by your contact at The Walt Disney Company.

Once your Disney contact completes an internal registration form you will receive an email like this sample inviting you to register.

Please to click the link in the email to begin the registration process

MyID Registration

Congratulations!

Your account has been created successfully.

What's Next?

The systems you access may require Two-Step Verification. Two-Step Verification (also known as two-factor authentication) is an extra layer of security to protect your account during the login process.
